NONPROFIT FINALISTS ANNOUNCED FOR 2019 DONATIONS

Drum roll please! During the month of January, Blaisdell's Business Products notified the five nonprofit finalists and scheduled time to present a check and learn more about the impact these organizations make in our local communities. The finalists were determined using an anonymous ballot, given to our entire staff of 68 at the end of December. Thank you again to those business customers who placed nominations for these organizations. Blaisdell's is now accepting nominations for our 2020 awards!

If you were on a deserted island, what 3 items would you take with?
